

<List of medical institutions for COVID-19 vaccination >

As of Sep 29, 2021

* If you would like to be vaccinated individually, please consult your family doctor. (the doctor you visit regularly see)

* When it says "Specific people only" on the acceptance of appointment column on the far right, it may mean only people who had been to the medical institution or people who regularly visit the medical institution can be vaccinated. For details, please inquire to each medical institution.
